25X1 Terrorism Activities: [redacted]

- 25X1 ● We met on 8 March with [redacted] to discuss the working group's draft
25X1 report. You will recall that last week, Charlie Allen had expressed a
25X1 preference for a much briefer report, shaped along the lines of a
25X1 backgrounder for the DCI's testimony to Congress. [redacted] had drafted a
25X1 sample of the type of report Charlie had described, and Charlie had
25X1 endorsed it enthusiastically. [redacted] however, had reservations. [redacted] 25X1
is concerned that it is too brief and presents too rosy a picture. He
wants to emphasize the need for additional resources.
- 25X1 [redacted]

25X1 CBW Intelligence Subcommittee: [redacted]

- 25X1 ● With the final formal meeting of the CIPC CBW Intelligence Subcommittee on
4 March, attention has now turned to preparing the final report of the
subcommittee. The subcommittee hopes to draft a hard hitting executive
summary-type document and forward it to the CIPC in April. [redacted] 25X1
and Paul will meet next week to review progress of that effort and decide
on format and key conclusions.
